Class Petitioning System

Team Activate

Maxwell Gregory, Oliver Seet, Andrew AcMoody, Rodrigo Farruguia

Problem Statement

- Impacted Majors

- Many Graduating Seniors

- No current method for students to express their need

- Current petition procedure makes it hard to collaborate

Our Solution

- Online Platform
- Student and Instructor Accounts
- Petition Database
- Ability to collaborate and sign petitions
- Emailing System to keep users informed

High-Level Diagram

Future Objectives

- Separate account and petition data-bases

- Account authentication security

- Search solution

- Dynamic user portals

- Emailing system
